

AUTOCROSS EVENT – HAMPTON DOWNS SKID PAN

The Club will be running an Autocross event at Hampton Downs on Saturday, 17th October 2015. This event will take place on the skid pan (see photo).

Unfortunately, due to increased MotorSport NZ levies and fees, we have had to increase the Entry Fee to \$48 for a pre-event entry and \$70 for an entry accepted on the day. Please check the information on the attached Annex A to the Supplementary Regs for this event – there are changes.

Driver entry to this event will give priority to current SCCNZ members and members of other MotorSport NZ-affiliated clubs, but non-members of MSNZ clubs may apply to enter as per MotorSport Manual, Appendix 5, Part 1, Art 2.1. Passengers may NOT be carried in this event.

As this event is more advanced than a Motorkhana, MotorSport NZ and SCCNZ insist that drivers ensure that their vehicles and their personal safety equipment conform to the requirements set out in the New Zealand MotorSport Manual for drivers running in a ClubSport Basic - Autocross event – that is, your safety gear and your car must comply with Appendix 2, Schedule A, or if applicable, Appendix 6, Schedule AA of the MotorSport Manual. We will have scrutineering officials there to check compliance.

Event information and the Entry Form will be sent out to previous entrants and will also be available on our website. Please mail your entry to us (with the applicable fee), or scan and Direct Credit, well prior to the event. We are only accepting a maximum of 30 entries for this event. Although we reserve the right to accept late entries on the day, if you wait until then you may miss out. If your late entry is accepted, you will incur a heavy surcharge on the regular entry fee.
