R. PAMPLIN	14	SCCNZ	TOYOTA RUNX	01:23.7	01:21.2	81.0

Final position on the day and Club Points are normally predicated on fastest time in the 5 lap sprints. Cars running only in the 3 lap sprint have their time in **Bold** Where a car did not start in the 5 lap sprints, Club Points are calculated on the fastest lap achieved in the 3 lap sprint practice **+2 seconds**, however the overall position of cars not completing a 5 lap sprint will be behind all cars which did.
