All drivers must arrive at the venue **no later than 6.45pm** in order to register with the operator and to attend the compulsory safety briefing. The Driver Safety Briefing will commence at 7.00pm sharp.

Drivers who DO NOT attend the full safety briefing, or are late for it will not be allowed to take part and will forfeit their entry fee. This is a requirement of the venue operator.

What to bring:

Apart from yourself, if you have one, please bring with you and wear a safety helmet at all times when on the circuit. The venue operator can provide helmets if you do not have access to them yourself. Please ensure any loose hair is tied up, no baggy clothing and closed shoes are worn. You must be over the age of 10, taller than 145cm and under the weight of 120kg.

What to do when you arrive at the venue:

All drivers must complete the Extreme Karts Waiver Form prior to running in the event. **This form is in addition to the SCCNZ Application/Indemnity Form you will have already signed and sent to the Club to confirm your entry. The form will be available at the counter on site.**

A briefing for all drivers will be held at the venue at **7.00pm**. **All drivers MUST attend.**

On the track:

Drivers will be organised into two groups and each driver will have two 20 lap races. Points will be calculated based on the drivers finishing position.

Finally:

This event is run with quite a tight time schedule – other groups of drivers may be running after us. In order that all drivers get a reasonable time on the track, please be ready to start when the briefing is completed. We will not be holding up the event for drivers who are late getting to trackside. Please remember there are other drivers on the circuit (as if you didn't know) at the same time as you and they may be travelling a little faster than you. Please allow them to pass and do not impede their progress.

Have a great race day!!!!
